## ICPS MEMBERSHIP FEE SCHEDULE

Starting 1 January 2025, the ICPS will be introducing a new fee schedule to reflect the costs of producing a high-quality journal and other activities to support our membership and stakeholders. There are some modest increases which take into account recent increases in our input costs, we are confident our membership fees are competitive with similar society journals and represent excellent value for our members. Further details on our fees can be found at <https://icps.clubexpress.com>.

Member - 1 year US\$45  
Member - 2 years US\$80  
Member - 3 years US\$120  
Member - 4 years US\$160

E-Member - 1 year US\$35  
E-Member - 2 years US\$60  
E-Member - 3 years US\$90  
E-Member - 4 years US\$120

Student membership fees will remain unchanged at \$20 (E-member only) and library subscriptions will increase by \$5.
